Librarian as *Scholar* Exercise

1) List one or more qualities you possess (good communication skills, writing skills, managerial skills, organizational skills).

2) List one major project you did at your library that was a success.

3) List a project that was not a success or list a disaster/problem that you had to solve at your library.

4) List three things you enjoy doing outside of work.

5) Combine one or more items from #1-4 to generate a workshop, presentation, or article title that you would enjoy writing/creating!
