AIDS IN BOOK SELECTION FOR CHILDREN'S AND
YOUNG PEOPLE'S DEPARTMENTS

By
NANCY MATTHEWS, CHILDREN'S LIBRARIAN
OHIO COUNTY PUBLIC LIBRARY

The following guide is offered in the hope that it may be of
assistance to librarians of the smaller libraries in West Virginia.
All these librarians are eager to give the best possible service
to their younger patrons. However, they can hardly specialize in
children's work—unless they neglect reference, circulation, cata-
logging, ordering, and several dozen other activities. The titles
mentioned below—and a little money—should enable the librarian
to develop and maintain a good collection in this area without an
undue expenditure of time.

STANDARD AIDS TO CHILDREN'S BOOK SELECTION

950-972 University Ave., New York. Sold on service basis. Write
for price.

This is the standard work on juvenile literature, and a
"must" for all school and public libraries of any size.
It includes about 3200 titles in both classified and
alphabetical arrangement, from pre-school thru Jr. High,
graded and with descriptive notes. A directory of pub-
lishers with addresses is included. Annual supplements
are included in purchase price.

A BASIC BOOK COLLECTION FOR ELEMENTARY GRADES. Compiled by a Com-
mittee of the American Library Association, National Education As-
sociation, National Council of Teachers of English, and Associa-
tion for Childhood Education. Mrs. Miriam Snow Mathes, Chairman.
6th ed. 1956. $2.00

A classified, annotated list of 1000 books suited for
curricular purposes and for recreational reading, from
Kindergarten thru eighth grade. Grade levels, and sub-
ject headings are given, and arrangement is by Dewey
decimal classification. A directory of publishers is
given, and a list of magazines. Could be used instead
of the above. Wilson Catalog for smaller collections,
it is much less expensive.

Same as above, except for Junior High School. 600 books selected to fit the modern curriculum and suggested as a minimum collection.

A list of books selected for the 'extension and enrichment' of the W. Va. School curriculum. Arrangement is by grades, areas of interest, and brief annotations are given, but no classification. This is the list from which W. Va. teachers select pupil's required reading. The committee making the selections consists of teachers and librarians working in West Virginia.

PERIODICALS

These are the tools with which to keep your collection up-to-date.

HORN BOOK MAGAZINE. Boston. 286 Boylston Street. $4.00 a year.

Published every two months, it is devoted exclusively to evaluating current children's books, and to articles about authors and illustrators of books, old and new.

BOOKLIST. American Library Association. Published every two weeks. $6.00 a year.

Carefully evaluates new books for adults, children, and young people, as well as films. Probably the most discriminating of the current reviewing tools. Inclusion of a title indicates recommendation by A.L.A. Now includes SUBSCRIPTION BOOKS BULLETIN. See below.

SUBSCRIPTION BOOKS BULLETIN. A.L.A.

Formerly a separate quarterly publication, now included in Booklist, this is the only reliable guide to the evaluating of sets, dictionaries, and encyclopedias, for the librarians, or for the home purchaser.
HIGH SCHOOL

This is the companion volume to the Wilson Children's Catalog. 3000 books and 600 pamphlets are annotated. Arrangement is by subject, according to the Dewey Decimal Classification with author, title, and subject index. For Junior and Senior High Schools. Magazine list included.

BASIC BOOK COLLECTION FOR HIGH SCHOOLS. Compiled by a joint committee of the American Library Association, National Education Association, and the National Council of Teachers of English. A.L.A. Dorothea Dawson, Chairman of Committee. 5th ed. 1950. $2.50

Selects, classifies, and evaluates 1700 titles and gives information about related books. Appendix lists audio-visual selection aids and magazines. Author, title and libraries.

SPECIAL LISTS AND PAMPHLET MATERIAL (INEXPENSIVE)

ABOUT 100 BOOKS: A gateway to better intergroup understanding. By Ann G. Wolfe. Pub. by American Jewish Committee. 300-4th Avenue, New York 17, N. Y.

Dear Fellow Librarians:

Another victory for the Federal Coordinators and the State Library Commissions throughout the country was won on June 12th, 1957! The $5,000,000 appropriation for the support of the Library Services Act for 1957-1958 has been approved by the House and the Senate and by the time you read this the President will surely have approved this section of the Federal budget.

Congratulations are due all who have taken any part in the support of the passage of this appropriation, but especially to Dora Ruth Parks, Executive Secretary of the West Virginia Library Commission, and to John Bennett, the Federal Coordinator of the WVLA, and to our West Virginia Congressmen and Senators who supported this appropriation.

Watch the expanded activities of your West Virginia Libraries now that the Commission will receive about $309,000 from Federal aid in 1957-1958.

Cooperation won this victory and now there are other committees who will be calling on you for your cooperation. The Recruiting Committee, at a recent meeting, drew up a fine long-range program which includes the services of the Scholarship Committee as well as each and every member for "Person to Person Recruiting".

The History Committee is collecting, the Conference Awards Committee is asking for suggestions and the Membership Committee is receiving so now is the time to remember cooperation means success.

From all reports the AALC Conference Committees are going along with the Conference plans at full speed.

Your President regrets that she will be unable to represent you at the Kansas City AALC Conference. WVLA will be represented very adequately by several other members. Omar Bean, WVIA, Councilor, will attend all AALC Council meetings and also the Middle Atlantic Regional Library Association Conference planning meeting. Vivian Daugher and Dora Ruth Parks will represent us at the Trustees Workshop, while Juliette Bryson will attend the Joint Committee on Library Work as a Career meetings.

Until September, when the Conference will be our topic.

Happy vacation!

Margaret S. Rebbitt
President, W.V.I.A.
COLLEGE LIBRARIES

SHEPHERD COLLEGE

Mr. John S. Maine has been appointed librarian of Shepherd College effective September 1. Mr. Maine is at present librarian of Tusculum College, Knoxville, Tenn. He received his B.A. degree from Tusculum in 1948 and his M.L.S. from George Peabody College in 1951. Mr. Maine served for four years in the Navy during World War II. He is married and has an eight year old son.

WEST VIRGINIA STATE COLLEGE

Mr. John E. Scott has been appointed librarian of West Virginia State College. Mr. Scott received his B.A. from Morehouse College, a B.L.S. from Atlanta University and an M.L.S. from the University of Illinois. He has served as Librarian of the Kansas Vocational School, Topeka, Kansas; head of the circulation department of the Virginia State College Library, Petersburg, Va.; and, before coming to West Virginia State, was senior reference librarian at the University of Kansas.

WEST VIRGINIA UNIVERSITY

Mr. Michael M. Reynolds has been appointed Assistant Librarian of West Virginia University effective September 1. Mr. Reynolds received an A.B. from Hunter College, an M.L.S. from Columbia University and an M.A. in Political Science from the American University. He has held professional positions at the Library of Congress and Georgetown University. He comes to WVU from Louisiana State University, where he has been Chief Reference Librarian.

PUBLIC LIBRARIES

HUNTINGTON

The objectives of securing an adequate Library budget for the current year and a stable budget in the future have been adopted by a reorganized and enthusiastic Friends of the Library Group. The plans include publicizing the services presently offered by the Library, the need for more books, more personnel, more branches to serve the public in the future. Their primary objective is to secure a special law giving the Library self-management of its funds and a specified levy for its operation. There will be an open house June 12th to celebrate our fifty-fifth anniversary. Special open house celebrations will be held at the Barboursville and Milton Branches at this time.

Margaret Lindsay, a Marshall College Library Student assistant in the Children's Department, graduated summa cum laude this June and has a position at Shaker Heights Library, Cleveland, Ohio while she attends Western Reserve Library School. Mary Pat Cales, receptionist, has resigned to devote more time to a new home she and her husband are building.

HARRISON COUNTY

The Clarksburg Public Library celebrated its fiftieth anniversary in April. From 1907 to 1920 it was supported by private gifts. When the city took it over in 1920 there were approximately 4,100 books with circulation less than 2,000. The Library now contains 30,000 books and circulation well over 7,000. A good record.
OCEO COUNTY PUBLIC LIBRARY

There is a new forward-looking spirit prevailing OCPL these Spring days. The past ten months of increased service, matching what is ordinarily done in twelve months, accounts for it. This increased service was manifested primarily in the field of instruction. All the facilities of the Library, especially the use of the Reference department and Reader's Guide, were made understandable. Seven hundred and fifty High School students were taught. This should be a large and hopeful step for the continuation of interest in the Library.

Also, other departments have started new programs. "Around the World Contest" stimulates increased book reading for the Children's Department. The Bookmobile has important new stops on schedules -- one in the business district and one in the new suburban housing development of Elm Terrace. The Bookmobile attended the Rally in Pomeroy. April 27th marks the eleventh year of a Bookmobile for Marshall County's Library.

Our Librarian spoke at the Second Annual Meeting of Brooke County's Board and Friends of the Library at Weirsburg.

WOOD COUNTY

A science library with special emphasis on material for the junior reader and the teenager is to be established at the Marine Corps Reserve Training Center in Parkersburg. Plans call for the Library to become a nucleus for youth with a scientific turn of mind. The books will cover atomic energy, electric power, chemistry, physics, medicine, plastics, synthetics and related subjects. The books will be given to Parkersburg's Carnegie Library at a later date when the Library has space to expand.

FROM ABOUT THE STATE

Naylor Hall Public Library in Naylor Memorial Community Center in Hedgesville opened in May. It will be staffed for the present by volunteer workers ... A new Mobile Library presented to the Preston Memorial Library makes limited hospital service possible ... Bridgeport Public Library has its annual Fund raising tag day April 27th ... Marshall County Friends of the Library are sponsoring a drive to build a library in Mountaineer with countywide bookmobile service. The Marshall County Court has the proposal under consideration. A spokesman for the Friends of the Library urged that those who favor the program write to the County Court endorsing the project ...

Books of interest to writers are available in Doddridge, Ritchie and Roane County Libraries. Books on how to write for publication and how to sell what you write are being featured ...

Kanawha County Public Library has chosen "World Travel" as the theme for the summer reading club. Registration for the children who wish to participate began May 15th ... Jackson County of the Alpha Regional Library has a fine report this year. Over 20,000 books were read by library patrons during the year. And more people were using the library than ever before -- there were over 350 new readers.

KANAWHA COUNTY PUBLIC LIBRARY

WEST LIBERTY STATE COLLEGE

Assistant Librarian. Position open August 1 or September 1. Principal duties are in circulation and reference. Salary: maximum of $4,380. Apply to Mrs. Vivian R. Boughner, Librarian.

LIBRARY COMMISSION

Congress has realized the importance of better libraries. The final Senate vote on the budget held the line at five million, the original House appropriation. Thus West Virginia will have a total of $209,000 for rural library extension work under the Library Services Act for 1957 - 1958.

The Library Commission's plans for use of this sum may be considered as really only one project -- that of strengthening and expanding the work of the State Agency. The work of the Commission - the State Agency will be strengthened and expanded in several different ways - by assisting regional libraries already established by undertaking new county or regional demonstrations; by special attention to the tax-supported libraries which receive the basic reference collection; and through widened public relations activities, including the use of special films and having a bookmobile exhibit at fairs and festivals.
