PREFACE

Since its first edition in 1975, the **WVLA Handbook of Organization** has assisted Officers, Division, Roundtable, Committee Chairs, and members accomplish the mission of the Association in a consistent fashion. The ensuing 48 years has seen many changes in procedures and practices of librarianship but the mission of the Association to empower library personnel and supporters to develop library excellence and enable libraries in West Virginia to offer open access to information resources and services to everyone remains the same.

This second edition of the **Handbook** reflects a rigorous review to make sure it accurately reflects the current Constitution and Bylaws and Association practices. The 2023 Handbook Committee regrets that it was unable to complete its planned revision of Conference Committee procedures and strongly recommends that an ad hoc committee be established for this purpose.

The chair should take every opportunity to utilize the capabilities of the members on the committee.

Attendance at an Executive Board meeting, where an item pertaining to the committee's work is discussed, is advantageous for both the committee and the Executive Board.

This rate will cover all expense relative to the operation of the car -- gasoline, oil, etc. In those cases where a traveler elects to use his/her privately owned automobile in lieu of commercial conveyance, reimbursement will be made on
